SUBJECT: Final Response Access Request 23-019

Decision

The Department of Health and Social Services has searched the Health Safety Emergency Management program area and has identified records responsive to Access Request 22-019:

According to section 44 of the Yukon Workers' Safety and Compensation Act, "an employer must establish and maintain a written health and safety management system (HSMS) when 20 or more workers of the employer are regularly employed." This HSMS must include, "procedures for the identification of existing and potential hazards to workers or other persons at or near the workplace and measures that will be taken to eliminate or control those hazards" and "procedures for investigating incidents, injuries and deaths." Does HSS, Corporate Services currently have a HSMS, as required by the Yukon Workers' Safety and Compensation Act?

Timeframe: April 17, 2023 (One Day)

The final response on the information is as follows: **Access Granted in Full**
