Final Response ATIPP Access Request 23-359

The Department of Energy, Mines and Resources has completed its search for records responsive to the following access request:

EMR Corporate Services. Information related to communication with, and consultation and compensation of, Little Salmon Carmacks First Nation concerning the construction of the initial tote road (approximately 1956-57), and the subsequent Robert Campbell Highway (approx 1960-1968), particularly construction between Carmacks and Little Salmon. Information related to the creation of Lot 49, Group 903 for the Carmacks airfield in 1937, particularly any documents related to communication with, and consultation and compensation of, Little Salmon Carmacks First Nation. Note that Lot 49 overlaps with the current Little Salmon Carmacks First Nations Settlement Land, parcel LSC C-45FS. Timeframe: January 1, 1936 - December 31, 1968

We were unable to find any records responsive to this request.

Decision

The Designated Head of the Department of Energy, Mines and Resources has approved the following response to this request:

No responsive records

We recommend the applicant send this request to Highways and Public Works, the Land Titles Office, and the Yukon Archives.

Final Costs

There is no charge to the applicant.

Right to Complain

Pursuant to section 66 of the *Access to Information and Protection of Privacy Act* you may contact Yukon's Information and Privacy Commissioner with a complaint in respect to this response. Section 66 states:

An applicant may, in respect of the head of a responsive public body's response to their access request under section 64, make a complaint to the commissioner by filing the complaint in accordance with section 90.

Should you wish to do so, please refer your written complaint within 30 business days to the Information and Privacy Commissioner at:

Yukon Information and Privacy Commissioner
