Final Response ATIPP Access Request 25-141

The Public Service Commission has searched the office of the Public Service Commissioner and has not identified records responsive to Access Request 25-141 noted below:

Requesting the final hazard assessment that was conducted by the department for the Whistle Bend Place propane leak that occurred in January 2024. Source records from the Deputy Ministers office. For guidance on hazard assessment, refer to GAM policy 3.48 which states:

"2.5.1 Deputy ministers are responsible for ... developing and maintaining effective departmental health and safety management systems and departmental policies. Departmental systems must have objectives that are consistent with the direction and priorities set by the Health and Safety Leadership Committee and must include elements that address: a) workplace hazard identification, risk assessment and control; ... c) inspections, investigations of incidents and corrective actions; ... j) monitoring, review and continuous improvement".

Timeframe: January 1, 2024 - May 30, 2025.

ADDITIONAL INFORMATION:

Public Body/AOC: 2025-0139 and 2025-0141 have the same wording. Please advise which access request you would like to withdraw from.

Applicant: The dangers of copy/paste! Please keep 0139 as is and change the first sentence of 0141 to "Requesting the final hazard assessment that was conducted by the department for the Whistle Bend Place propane leak that occurred in January 2024."

Decision

The Head of the Public Service Commission has approved the following response to this request:
