Applicant c/o
Jeff Sunstrum, Access and Privacy Officer
Corporate Information Management, ATIPP Office

## Final Response ATIPP request 21-241

## Decision

The Yukon Energy Corporation has completed a thorough search for records responsive to Access Request 21-241. The following departments were searched: Communications & Customer Service, Resource Planning, Operations and Information Technology.

## **Access Granted in Full**

Yukon Energy has created a record with information relating to the request noted below:

A list of contracts for data services, information processing services and/or bulk data products purchased/acquired by your organization from Jan. 2017 to present day. Timeframe: 01 January 2017 - 03 August 2021

#### **ADDITIONAL INFORMATION**

- "Data services" and "information processing services" refers to any consultants hired to do data analytics for Yukon Energy, as well as any "Software as a Service" (SaaS) companies offering data analytics tool/programs/apps that are cloud-hosted.
- "Bulk data products" refers to any datasets purchased from organizations like research firms, data brokers or other energy companies.

### **Final Costs**

There is no cost to the applicant.

## Right to Complain

You have the right to make a complaint in respect of this response to the Yukon information and Privacy Commissioner under Section 66 of the ATIPP Act, no later than 30 business days after you receive this response. To make a complaint, contact:
