Final Response ATIPP Access Request 23-514

The Yukon Energy Corporation has completed a thorough search of the Procurement Department and has identified records responsive to Access Request 23-514 noted below:

Please provide any correspondence between Yukon Energy and the Department of Environment concerning modifications or changes at the Faro Generating Station. This would include email and written exchanges and associated attachments including plans and specifications, etc.

Timeframe: January 1, 2022 - January 17, 2024

Decision

The Head of the Yukon Energy Corporation has approved the following response to this request:

Access Granted in Full

Access granted in full to the 212 page of responsive records relating to the request noted above.

Final Costs

There is no charge to the applicant.

Right to Complain

Pursuant to section 66 of the *Access to Information and Protection of Privacy Act* you may contact Yukon's Information and Privacy Commissioner with a complaint in respect to this response. Section 66 states:

An applicant may, in respect of the head of a responsive public body's response to their access request under section 64, make a complaint to the commissioner by filing the complaint in accordance with section 90.

Should you wish to do so, please refer your written complaint within 30 business days to the Information and Privacy Commissioner at:

Yukon Information and Privacy Commissioner
