### Final Response Access Request 25-056

#### Decision

The Workers' Safety and Compensation Board Yukon has searched the program areas Workplace Health and Safety and Information Management, and has identified records responsive to Access Request 25-056. The final response on the information is as follows:

#### Access Granted in Full

The Workers' Safety and Compensation Board Yukon has granted full access to the information relating to the request noted below:

I am requesting records, emails, memos, or inspection findings from the Yukon Workers' Safety and Compensation Board related to the enforcement or recommendation of radio-monitoring duties for security gate attendants at Victoria Gold's Eagle Mine site under Part 15 of the Occupational Health and Safety Regulations. Please include any documentation between WSCB and Victoria Gold, PricewaterhouseCoopers, or the mine's management that discusses duties related to access control, personnel monitoring, or secure zone entry logging via radio between June 1, 2024 and April 1, 2025. If available, I also request any internal WSCB policy documents or guidelines that were used to justify or support these duties during inspections or compliance activities at the site.

**Timeframe:** June 1, 2024 - April 12, 2025.

The response includes 24 pages of records.

#### Right to complain

As per section 66 of the ATIPP Act, a complaint regarding this response may be made to the Information and Privacy Commissioner of the Yukon within 30 days of receiving this letter:
