**RE: Final Response Access Request No. 21-473**

**Decision**

The Department of Environment has searched the Deputy Minister and Assistant Deputy Minister's offices, the Fish and Wildlife, Conservation Officer Services, Finance, and Policy and Planning branches and has identified records responsive to Access Request No.21-473. The final response on the information is as follows:

**Access Granted in Full**

The Department of Environment has granted access in full to the information relating to the request noted below:

"The final products, in electronic format, including but not limited to the cover letter and email, reports, appendices, the 'R' programming code for contract: C00032208 and C00031539, Bear Population Estimation Analysis completed by INTEGRATED ECOLOGICAL RESEARCH. The date range is between January 1, 2015 and March 31, 2017."

**Please Note**

The Department of Environment sent you the link to the publically available report "Grizzly bear population in the Southern Lakes Region 2012-2013" on January 10, 2022, and will add the link again below for your convenience. We have now included the "R Code for Southern Lakes grizzly analysis" enclosed with this letter.
