RE: *Access to Information and Protection of Privacy* (ATIPP) Act
Final Response for Access Request 21-433

The Department of Energy, Mines and Resources has completed its review of the records responsive Access Request #21-433 and we are pleased to inform you that full access is being provided to the information you requested.

Some of the information that you requested was not available as the Department does not record where livestock originally came from, nor how long the animal lived in Yukon prior to slaughter. Where information on age and sex are missing, the slaughters happened without a meat inspector, for private slaughter and farm-gate direct sales and the operators are not required to record sex and ages of the animals under these circumstances. For more information about these records, please contact Bastien Ipas, Livestock Health Technician, at 867-333-9471 or bastien.ipas@yukon.ca.

An electronic copy of the responsive records shall be forwarded to you with this response by the ATIPP Office.

There are no costs associated with processing this request as less than 5 hours were required to process the total number pages of records responsive to this request.

Section 66 of the Act provides that you may ask the Information and Privacy Commissioner to review this matter. You have 30 business days from the date of this notice to request a review by the Commissioner at:
