Final Response ATIPP Access Request 22-081

Decision

The Executive Council Office searched the Deputy Minister's Office and the Strategic Corporate Services and identified records responsive to Access Request #22-081. Our final response on the information is as follows:

Access Granted in Part

The Executive Council Office has provided access in part to information and records relating to the request noted below:

Records containing or immediately related to records containing "Hidden Valley" or "Amanda Rogers" (i.e. email chains, attachments). Timeframe: January 28, 2022 - February 4, 2022. I would like my request to include the deputy minister of ECO as well as the ADM of strategic corporate services and the three sub-branches stemming from that.

Third party names, emails and information relating to personal events have been withheld under sections 70(1) of the ATIPP Act as disclosure would be an unreasonable invasion of third party privacy.

Information related to login ID's and passwords has been withheld under section 72(1)(b)(vi) as disclosure could reasonably be expected to adversely affect the security of a communications system.

Section 74(1)(a) has been used to redact advice and recommendation provided to the government.

There will be no charge for this request.

Note that attachments with extension.png are a result of file conversion of logos embedded within email signatures and have been removed.
