Good morning,

I wanted to send a quick note to you both this morning to highlight our local office and the urgent remediation works that we are successfully delivering for the Federal Government at Faro, Cantung and Giant mine in Yellowknife. We've been monitoring the situation at Victoria Gold and want to let you know of our proven track record in the Yukon managing complex urgent works with First Nation and local partners. Parsons is well positioned to assist in this emergency and our team would be happy to engage in a conversation about where we could help when the time is appropriate.

I hope your Canada long weekend was full sun and mostly fun.

Regards,

**Rob Yeomans**

Socio-economic Development Manager
