DEFINITIONS

Authorized Practitioner: a physician, nurse practitioner or primary health nurse in charge as authorized to make referrals for medical travel.

Chief Medical Officer: the person appointed by the Commissioner in Executive Council as the Chief Medical Officer of Health for Yukon and includes the Chief Medical Officer of health’s authorized deputy.

Director: the director of the Yukon Health Care Insurance Plan.

Eligible Individuals: a person who is eligible for and entitled to insured health services as defined in the Yukon Health Care Insurance Plan Act.

Eligible Individual - Exceptions: those clients and their families who are insured through an Act of Parliament (i.e. Status First Nations, members of the Armed Forces, RCMP, Canada Post, Parks Canada, Federal Public Service and Workers’ Compensation Board (WCB) applicants) are not eligible for travel for medical treatment as defined in the Yukon Health Care Insurance Plan Act. (These individuals are covered by their own medical travel benefits and includes WCB applicants.)

Emergency Travel: travel necessitated by a medical emergency.

Hospital Transfer: medical travel initiated by the discharge of a patient from one hospital and ending with the admission of the same patient in a second hospital.

IHHS: the Insured Health and Hearing Services Branch.

Insured Health Services: those services set out as insured services within the *Health Care Insurance Plan Act* and the *Hospital Insurance Services Act*.

Medical Emergency: an unforeseen medical condition involving a person's physical or mental health that requires immediate medical intervention.

Medical Travel: travel originating within Yukon that is required to allow eligible persons access to necessary insured health care services within or outside of Yukon.

Non-Emergency Service: medical service that is required for the well-being of a patient, but is not considered a medical emergency.

Non-Resident: a person who does not normally reside in Yukon.

Opioid Treatment Services (OT): is treatment for addiction to opioid drugs such as heroin, oxycodone, hydromorphone (dilaudid), fentanyl and percocet.

Scheduled Airfare: the actual airfare paid for a flight. Airfare bookings are based on the most cost-effective and medically appropriate options available for a patient.

Subsidy: means an amount of \$75 per day to assist with the cost of meals and accommodation for insured residents on medical travel based on outpatient services which may be paid for each day after the second approved day.

Travel Escort: a person approved to accompany an eligible person on medical travel pursuant to the *Medical Travel Escorts Policy (MT007 - December 2019)*.

YHCIP: the Yukon Health Care Insurance Plan.

Yukon Resident: a person who is lawfully entitled to be in Canada, ordinarily resides in Yukon, has a valid Yukon healthcare card and makes the territory their home. (Resident status does not apply to a tourist, transient or visitor to Yukon.)

ELIGIBILITY

- This policy covers eligible individuals and their medically required and approved travel escorts insured under the *Travel for Medical Treatment Act (and Regulations)* and the *Yukon Health Care Insurance Plan Act* who are pre-approved to travel by air inside Yukon to receive medically necessary treatment not available in their community.

BACKGROUND

- Opioid Treatment Services (OT) is not available in most Yukon communities.
- Opioid Treatment Services (OT) is typically administered in Whitehorse.
- Eligible individuals in Yukon communities, referred by an authorized practitioner, may travel to the Yukon Referred Care Clinic in Whitehorse for treatment.

POLICY

- The Medical Travel Program will cover medical travel for eligible and approved individuals from Yukon communities to the Yukon Referred Care Clinic in Whitehorse for Opioid Agonist Therapy.
- Once the application is approved, a Medical Travel Officer will contact the patient to arrange air travel (if required) and explain program coverage.
- If required, patient departure and return flights will be selected based on the most cost effective and medically appropriate air travel in relation to the patient's medical treatment and/or medical appointments.

Travel Escorts:

- All requests for a travel escort must be pre-approved by the Medical Travel Unit.
- Reference: **Medical Travel Escorts Policy (#MT007)**

Exceptions/Exclusions:

- Medical travel originating outside of Yukon is not eligible within this policy.

Appeals:

- Appeals are to be sent in writing to the Director of Insured Health and Hearing Services for review. Letters should be addressed as follows:

Director, Insured Health and Hearing Services (H-2)
Department of Health and Social Services
Box 2703
Whitehorse, YT Y1A2C6
