POLICY

Process Overview:

- To be eligible, a person must be registered under the *Yukon Health Care Insurance Plan Act* and not be eligible to receive medical travel benefits from another program or service.
- Requests for an escort will be reviewed by a Medical Officer of Health in reference to this policy and the relevant regulations.
- All requests for approval of an escort must be made on the medical travel application and signed and submitted by an authorized practitioner. Relevant medical and contextual information should be included in the application.
- An escort's travel is to originate in Yukon unless otherwise approved by the Director.

Travel by Medevac:

- If the eligible person travels by Medevac, an escort will only be automatically approved if the eligible person is a minor, is intubated and/or needs to be admitted to an Intensive Care Unit or a Cardiac Care Unit.

Eligibility:

- If the person is a minor.
- If they have a mental or physical disability and an authorized practitioner determines the person is unable to travel unassisted.
- If the person requires an escort for interpretation between English and another language. The availability of professional interpretive services will be considered in deciding if a travel escort is required for interpretation.

- If the person has been intubated (with the exception of the eligible person only being intubated for the purpose of travel). Exception requests may be sent in writing to the Director.
- If the person is a mother who is breastfeeding a child up to twelve months of age and is attending a medically necessary procedure that will prevent the mother from feeding her child.
- If the person is pregnant and the fetus is being tested for a genetic disorder.

Admission to Intensive Care Unit or a Cardiac Care Unit:

- An escort will be approved for up to fifteen days if the eligible person has been admitted to an Intensive Care Unit or a Cardiac Care Unit.
- The Director will review requests for additional time on a case-by-case basis.

Requirements for Two Travel Escorts:

- If the eligible person is a child up to twenty-four months of age who is admitted to a Neonatal Intensive Care Unit or Pediatric Intensive Care Unit.
- If the eligible person is a minor and is being tested for a genetic disorder.
- If the eligible persons are two or more children under twenty-four months of age and from the same family are travelling together by air and will each be receiving medical treatment during the same trip.

Exceptions/Exclusions:

- Medical travel originating outside of Yukon is not eligible within this policy.
