Final Response ATIPP Access Request 25-501

The Yukon Energy Corporation has completed a thorough search of records responsive to Access Request 25-501 noted below:

*Please provide all inspection reports, incident reports and corrective action reports for Whitehorse thermal generation from 2023 to present.
Timeframe: January 1, 2023 to December 1, 2025.
CLARIFICATION: PB: Can the applicant please clarify if they are seeking reports to or from regulatory bodies? And if so, can they clarify which regulatory bodies.
APP: Yes, regulatory bodies - Environment primarily - and any others if they exist.*

Yukon Energy has received no inspection reports responsive to the access request within the timeframe.

Yukon Energy reported one incident responsive to the access request to Department of Environment during the timeframe. This is detailed in the Final Response. There were no corrective actions received from Department of Environment in response to this incident.

There is no cost to the applicant.

Right to Complain

Pursuant to section 66 of the *Access to Information and Protection of Privacy Act* you may contact Yukon's Information and Privacy Commissioner with a complaint in respect to this response. Section 66 states:

An applicant may, in respect of the head of a responsive public body's response to their access request under section 64, make a complaint to the commissioner by filing the complaint in accordance with section 90.

Should you wish to do so, please refer your written complaint within 30 business days to the Information and Privacy Commissioner at:
