SUBJECT: Final Response Access Request 24-013

The Department of Health and Social Services has searched the Emergency Medical Services records and has identified records responsive to Access Request 24-016 noted below:

This request relates to Yukon Emergency Medical Service (YEMS). I would like to see an anonymised copy of the staffing schedule for the every ambulance station in Yukon (excluding Whitehorse and Dawson City) that includes both regular employed staff and paid volunteer responders. I am looking to see how many people were on duty at any given time over each 24 hour period in the identified date range. It would be helpful to see this separated by each station.

Timeframe: January 1, 2023 - December 31, 2023.

Decision
