SUBJECT: Final Response Access Request 21-449

Decision

The Department of Health and Social Services has searched Population and Public Health Evidence and Evaluation and has no records responsive to Access Request 21-449. The final response on the information is as follows:

No Records Found

The Department of Health and Social Services has no records responsive to this request:

Common colds are among the most common illnesses. Many different viruses (common colds are caused by various rhinoviruses, coronaviruses, adenoviruses) have no vaccine. What's the prior scientific validation (longterm clinical trials, and peer-reviewed, replicated studies) of using and/or mandating experimental mRNA vaccines for a virus that's never had a successful vaccine to combat any mutating coronaviruses causing any respiratory illness or disease?

Timeframe: December 1, 2019 - December 1, 2021

The Department is reliant on the national regulatory approval process through Health Canada.
