Final Response ATIPP Access Request 23-349

The Department of Highways and Public Works has searched Property Management and has identified records responsive to Access Request 23-349 noted below:

Yukon Government Main Administration building plans. Timeframe: January 1, 2001 - September 30, 2023

ADDITIONAL INFORMATION:

Question from Dept: Do they just want architectural plans? (i.e., floor layouts?). Are they looking for the drawings from the engineering disciplines too (i.e., mech, elec, structural, etc.)? Are they looking for all the plans from every reno we can find in that building? Or just the original build?

Response from App: I am wanting the plans from the original build and renovations including mechanical systems.
