Final Response ATIPP Access Request 24-746

The Department of Energy, Mines and Resources has searched and has identified records responsive to Access Request 24-746 noted below:

Please provide correspondence, including briefing notes, emails, drafts, memoranda and meeting notes related to:

Which recommendations from the Piteau Report (on cyanide management at the Eagle Gold Mine) to require as actions from Victoria Gold Corporation (VGC),
Correspondence between the Government of Yukon and VGC about the Piteau Report.
Input from VGC about potential new requirements stemming from the Piteau Report.
Consideration of timelines and expectations for implementing the new requirements for VGC flowing from the Piteau Report.

Please provide documents and communications originating within the Executive Council Office and Department of Energy, Mines and Resources, including communications between EMR staff and Victoria Gold representatives.

Please exclude publicly-available regulatory filings, such as those available through the Yukon Water Board. Timeframe: July 1st, 2021 - January 30th, 2023.

Decision

The designated ATIPP Head of the Department of Energy, Mines and Resources has approved the following response to this request:

Access Granted in Part

Certain types of information have been withheld pursuant to the Access to Information and Protection of Privacy Act. A summary of records reviewed and withheld redactions is enclosed. Note: attachments with extension “.png” are a result of file conversion of images embedded within email signatures and have been removed.

Final Costs

There is no charge to the applicant.

Right to Complain

Pursuant to section 66 of the *Access to Information and Protection of Privacy Act* you may contact Yukon's Information and Privacy Commissioner with a complaint in respect to this response. Should you wish to do so, please refer your written complaint within 30 business days to the Information and Privacy Commissioner at:

Summary of Redactions

Please note the work on this request involved a detailed line-by-line review by the public body to identify any duplicated information that the system may not have detected and to determine whether certain content fell outside the scope of the request. Additionally, in accordance with the applicant's request, publicly available regulatory filings—such as those accessible through the Yukon Water Board were removed.

ATIPP Access Request **24-746**
