Final Response ATIPP Access Request 21-238

Decision

The Department of Justice has searched the branch of Coroners Services and has identified records responsive to Access Request #21-238. Our final response on the information is as follows:

Access Granted in Full

The Department of Justice has provided records in full relating to the request noted below:

Coroner's Office - I am looking to ascertain the number of deaths in Whitehorse, compared to an aggregated rural communities figure, by year. And, I would like the number of both 'natural' and 'unnatural' deaths in both areas, by year. For example, 2018 - total number of deaths xxx. total deaths in Whitehorse xxx. total deaths in rural Yukon xxx. THEN Yukon deaths - natural vs unnatural and Natural deaths in Whitehorse vs unnatural deaths in Whitehorse, THEN natural deaths in rural Yukon vs unnatural deaths. I would like these for the three years 2018, 2019 and 2020. If it is easier using a fiscal year date, that is fine too. Please note whether information includes or excludes non-Yukon residents. Please contact me if you need more information. Timeframe: 01 January 2018 - 01 January 2021

There will be no charge to the applicant.
