RE: **ATIPP #21-253 – FINAL RESPONSE – GRANTED IN FULL**

The Department of Economic Development has completed its review of ATIPP Request 21-253 after conducting a thorough search of the program areas for records responsive to this request (totaling four pages) and determined that the applicant's request will be granted in full to the following request:

Funding given to Yukon University's Innovation & Entrepreneurship unit. The exact amount of funding for each time funding was given and a precise description of what exactly each funding amount was for. Yukon University was previously known as Yukon College and Innovation & Entrepreneurship was previously known as Cold Climate Innovation.

Timeframe: 01 April 2019 - 10 August 2021

Clarification:

I think the easiest way for me to clarify is to give an example.

The Public Accounts say "Incubation program development - \$85,000." I have no idea what "incubation program development" means. I am willing to wager that the Department does know precisely what it means because presumably the Department knew exactly the ways in which that particular funding amount would be spent.

Please be aware that the 2019/20 Public Accounts Schedule 9 are already publicly available and may be accessed at: <https://yukon.ca/en/2019-20-public-accounts-schedule-9-schedule-other-government-transfers>.

Also, the 2020/21 Public Accounts Schedule 9 will be tabled by October 31st. At that time, public information pertaining to this request from April 1, 2020 – March 31, 2021 will be made available: [Public accounts | Government of Yukon](#).

There is no cost to the applicant.
