Final Response ATIPP Access Request 22-598

Decision

The Executive Council Office has searched the Deputy Minister's Office, Strategic Corporate Services and the Communications Branch and has located records responsive to Access Request #22-598. Our final response on the information is as follows:

Access Granted in Part

Executive Council Office has provided partial access to information relating to the request noted below:

Any email and attachments to staff that discussed covid and/or vaccine mandate in the workplace and plans, advice, or rules for employees. Timeframe: September 1, 2020 - December 3, 2021.

ADDITIONAL INFORMATION:

Question from Dept: Are they looking for messages sent from a particular level of the department to line staff or are they looking for everything as the request implies? If it's the latter, I would advise them that this will be a massive request with page counts in the thousands.

Response from App: The request is for global emails that went out to all staff as information on Covid rules and policies.

Information that could reasonably be expected to adversely affect the security of a property or a system, including a building, computer system or communications system was withheld under section 72(1)(b)(vi) of the ATIPP Act.

There is no charge for this request.
