<sup>-3</sup> Includes both Pre-Sentence and Bail Supervision Reports (court driven).

<sup>-4</sup> The Fine Options program will be promoted in the rural communities therefore the numbers are expected to increase. Over the last three years there are records of only four people who had enrolled in the Fine Option program and worked a total of 220.5 hours to pay down their fines to court services. Every hour gets a \$5 credit. For Supplementary information purposes the actual numbers are the result of four divided by the two periods.
