**VOTE 52**  
**DEPARTMENT OF ENVIRONMENT**

**MINISTER**  
**Hon. E. Taylor**

**DEPUTY MINISTER**  
**K. Leary**

**DEPARTMENTAL OBJECTIVE**

- To ensure that the natural resources and the environment of the Yukon are managed and used in accordance with government policy by:
  - maintaining and enhancing the quality of the Yukon's environment for present and future generations through ecosystem-based management, conservation of resources and protection and maintenance of biodiversity;
  - renewing the Yukon government's vision to maintain and enhance the Yukon's natural environment for present and future generations;
  - ensuring that Yukon people have the opportunity to be involved in the development and review of departmental programs, policies, legislation and regulations through open and meaningful communication and participatory processes;
  - managing natural resources in a manner that promotes integration with other sectors including economic development, so that optimum benefits can be derived for all Yukon people;
  - participating in national and international measures designed to enhance environmental quality and encourage sustainable use of natural resources;
  - integrating, implementing and managing authorities and responsibilities in water resource and environmental management; and
  - undertaking resource management activities that meet the Government of Yukon's obligations and respect the rights of aboriginal people and relationships established through land claims and self-government agreements.
