# Yukon Housing Corporation Management's Responsibility for Financial Statements

The financial statements contained in this annual report have been prepared by management in accordance with Canadian generally accepted accounting principles, and the integrity and objectivity of the data in these financial statements are management's responsibility.

In support of its responsibility, management has developed and maintains books of account, records, financial and management controls, information systems and management practices. These are designed to provide reasonable assurance as to the reliability of financial information, that assets are safeguarded and controlled and that transactions are in accordance with the *Financial Administration Act* as well as the *Housing Corporation Act* and the by-laws of the Corporation.

The Board of Directors is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control. The Board exercises its responsibility through the Financial Management Committee, which meets on a periodic basis with management and the independent external auditor to review the manner in which these groups are performing their responsibilities, and to discuss auditing, internal controls, and other relevant financial matters. The Financial Management Committee reviews the audited financial statements with the external auditor before making recommendations to the Board of Directors for their approval.

The Corporation's external auditor, the Auditor General of Canada, is responsible for auditing the financial statements and issuing a report which is included with the financial statements. The Auditor General of Canada provides her report to the Minister responsible for Yukon Housing Corporation.

President

Date: September 14, 2006

Director, Finance and Administration

#### AUDITOR'S REPORT

To the Minister responsible for the Yukon Housing Corporation

I have audited the balance sheet of the Yukon Housing Corporation as at March 31, 2006 and the statements of operations and equity and cash flows for the year then ended. These financial statements are the responsibility of the Corporation's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Corporation as at March 31, 2006, and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles. As required by the Housing Corporation Act, I report that, in my opinion, these principles have been applied on a basis consistent with that of the preceding year.

Further, in my opinion, proper books of account have been kept by the Corporation, the financial statements are in agreement therewith and the transactions of the Corporation that have come to my notice during my audit of the financial statements have, in all significant respects, been in accordance with the Financial Administration Act and regulations, the Housing Corporation Act and the by-laws of the Corporation.

Roger Simpson, FCA

#### 1. Authority and mission

Yukon Housing Corporation (the "Corporation") was established in 1972 by the *Housing Corporation Act* of the Yukon Territory to undertake and assist in the provision, development, maintenance and management of housing.

The mission of the Corporation is to improve the quality of housing in the Yukon and help Yukoners resolve their housing needs.

In carrying out its mission, the Corporation provides low rental housing which generates operating losses. The Corporation also provides loans for the purpose of housing. The Corporation is dependent on the Government of Yukon for funding its operations.

Pursuant to Order-in-Council 1982 / 343, the Whitehorse Housing Authority (the Authority) was created and designated as an agent of the Corporation. The Authority operates, manages and administers social housing units in the City of Whitehorse on behalf of the Corporation.

Pursuant to Section 42 (2) of the *Housing Corporation Act*, the Corporation has established Housing Advisory Boards in the communities of Carcross, Carmacks, Dawson City, Faro, Haines Junction. Mayo, Ross River, Teslin and Watson Lake. Local Housing Advisory Boards are established for the purpose of involving local community members in the decision making process regarding housing in their community. They provide advisory, regulatory and adjudicative services to the Corporation.

#### 2. Significant accounting policies

These financial statements have been prepared in accordance with Canadian generally accepted accounting principles. Significant accounting policies follow:

#### (a) Grant provided by Government of Yukon

The Housing Corporation Act authorizes the Government of Yukon to pay the Corporation an operating grant equal to the net loss from operations. The net loss from operations is equal to the Net results of operations before government funding less the Amortization of deferred capital funding, in the statement of operations. The portion of the funding used to purchase depreciable assets is recorded as deferred capital funding and amortized on the same basis and over the same periods as the related capital assets. Funding provided in excess of the operating grant is recorded as equity.

#### (b) Mortgages, agreements and loans receivable

Under the Home Repair Program, the Corporation may subsidize a debtor's repayment. These subsidies, reviewed annually, are based on the debtor's ability to pay. Mortgages receivable under the Home Repair Program are stated at estimated realizable value after providing allowances for payment subsidies.

Mortgages receivable under the Home Ownership Program are fully secured and are recorded at cost.

Mortgages receivable under the Rural and Native Housing Home Ownership Programs are stated at cost. Under the Social Housing Agreement (SHA) signed with Canada Mortgage and Housing Corporation (CMHC) in 1998, the Corporation may be required to subsidize a debtor's repayment of a Rural and Native Housing Home Ownership mortgage; CMHC annual cost-shared funding provided to the Corporation includes an amount for subsidies.

Based on historical loss experience, management considers it necessary to establish an allowance for impaired loans. Loans are classified as impaired when: (1) the Corporation no longer has reasonable assurance of timely collection of the full amount of principal and interest due or (2) payments are 90 days or more in arrears, except in those cases where, in the opinion of management, there is justification to continue to accrue interest. Where appropriate, an impaired loan allowance has been established to adjust the loan carrying value to the net realizable amount.

Land sales agreements, which pertain to loans receivable from lots sold to purchasers for residential, commercial and recreational purposes, are recorded at cost.

#### (c) Housing held for sale

The development of Mountain View Place, consisting of titled mobile housing lots, is valued at the lower of cost and net realizable value.

Housing held for sale includes houses repossessed under the Home Ownership Program and the Rural and Native Housing Home Ownership program. These houses are recorded at the lower of cost and net realizable value.

#### (d) Capital assets

Capital assets are valued at cost, net of contributions from outside agencies and accumulated amortization. Interest on loans during construction of capital assets is capitalized.

Amortization is calculated using the straight-line method, over the estimated useful lives of assets.

Social housing projects Social housing betterment not financed by long-term debt Staff housing projects and other facilities:	35 years 15 years
Standard construction	35 years
Mobile home units	15 years
Office building	20 years
Other facilities	15 years
Furnishings and equipment	5 years
Computer systems	3 years

#### (e) Deferred revenue

Deferred revenue are recognized as follows:

Funding provided by Canada Mortgage and Housing Corporation (CMHC) under the Social Housing Agreement for future housing related projects and losses on interest and mortgage guarantees will be recognized on a straight line basis over the remaining life of the agreement. Any CMHC funding not expended will be recognized as related future expenses are incurred.

Funding provided by CMHC for the affordable housing program in the current year will be recognized when the Corporation becomes responsible for certain senior housing units in 2007/2008.

#### (f) Employee future benefits

Employee future benefits - other non-pension benefit plans

Under the conditions of employment, employees of the Corporation qualify for and earn employment benefits for vacation, sick and compensatory leave, travel bonus and severance benefits. The benefit obligation was determined on an actuarial basis. The obligation was calculated using the projected benefit method prorated on service.

#### (f) Employee future benefits (continued)

#### Pensions

All eligible employees participate in the Public Service Pension Plan administered by the Government of Canada. The Corporation's contribution to the Plan reflects the full cost as employer. This amount is currently based on a multiple of the employees' required contributions, and may change over time depending on the experience of the Plan. The contributions are expensed during the year in which the services are rendered and represent the total pension obligation of the Corporation. The Corporation is not currently required to make contributions with respect to any actuarial deficiencies of the Public Service Pension Plan.

#### (g) Asset retirement obligations

Pursuant to section 3110 of the Canadian Institute of Chartered Accountants, the fair value of liabilities for asset retirement obligations is recognized in the period they are incurred. The fair value is added to the carrying amount of the associated asset and depreciated over the asset's useful life. The Corporation is in the process of making an inventory of all potential asset retirement obligations. If a legal obligation is found to exist, and a reasonable estimate can be made it will be booked in the future periods.

#### (h) Recoveries - cost-shared agreements

Under the Social Housing Agreement signed with Canada Mortgage and Housing Corporation (CMHC) in 1998, the Corporation has entered into cost-sharing agreements whereby operating deficits of certain housing projects are cost shared with CMHC. The Corporation has also entered into cost-sharing agreements to share the operating deficits of certain housing projects with the City of Whitehorse.

(i) Mortgage interest recognition

Interest income on mortgages is recorded on an accrual basis. When a mortgage becomes impaired, recognition of interest ceases. Thereafter interest income is recognized on a cash basis.

(i) Rental and funding income recognition

Income from rentals and funding from Canada Mortgage and Housing Corporation are recorded on an accrual basis.

#### (k) Management estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could significantly differ from these estimates. Estimates are used when accounting for matters such as impaired loans, allowances for payment subsidies for Home Repair Loans, amortization, employee future benefits and contingencies.

(I) Future Accounting Changes - Financial Instruments In January 2005, the Canadian Institute of Chartered Accountants (CICA) issued three new accounting standards: Section 3855 Financial Instruments - Recognition and Measurement; Section 3865 Hedges; and Section 1530 Comprehensive Income. These sections are currently being assessed to determine the applicability and impact on the Corporation's financial statements. They must be adopted for fiscal years on or after October 1 2006. The new requirements are as follows: Section 3855 - prescribes standards for recognizing and measuring financial instruments on the Balance Sheet and how related gains and losses are to be presented; Section 3865 - modifies the timing of recognizing gains or losses under Section 3855 to permit the matching of gains and losses in the Income Statement for financial instruments included in highly effective hedging transactions; and Section 1530 - introduces a new component of Shareholder's Equity and a new Statement of Comprehensive Income that will present certain gains and losses arising from the application of Sections 3855 and 3865, before they are transferred to the Income Statement.

#### 3. Cash

The Corporation has an operating demand overdraft facility with its banker of up to \$11,000,000 at bank prime. At year-end, the bank prime rate was 5.50% (2005 - 4.25%). The overdraft facility is guaranteed by Government of Yukon.

#### 6. Seniors' Housing Management Fund

The Seniors' Housing Management Fund was established under section 7 of the *Housing Corporation Act* to provide for the future housing needs of Yukon's seniors. The Government of Yukon approved the establishment of the Fund in October 2000.

The Fund receives Government of Yukon funding through an annual appropriation and an appropriation equal to interest revenue generated by the Corporation's Green Mortgage Program and interest revenue earned on monies held within the Fund. The Corporation has not yet secured Government of Yukon approval on the parameters for the operation of the fund; there have been no payments made out of the Fund.

Changes in the Seniors' Housing Management Fund are as follows:	2006		2005		
		In The	ousands		
Balance at beginning of year	\$	1,684	\$	1,334	
Government of Yukon annual appropriation		100		100	
Government of Yukon appropriation equal to interest revenue earned on Green Mortgage Program		213		219	
Interest revenue earned on monies held within the Fund		-53		31	
Balance at end of year	\$	2,050	\$	1,684	

#### 7. Capital assets

			2006	2005
			in Th	ousands
	Cost	Accumulated Amortization	Net Book Value	Net Book Value
Social housing	\$ 32,621	\$ 18,241	\$ 14,380	\$ 16,294

9.	Employee future benefits					
٠.	Zimproyoc rataro sononto	2006			2005	
	Other non-pension benefit plans		In Tho		•	
	The Corporation provides non-pension benefits to its employees based on years of service and salary. Employee future benefits are a defined benefit plan and are not funded. There are no assets resulting in a plan deficit equal to the accrued benefit obligation. The results measured at the balance sheet date are summarized as follows:					
	Accrued benefit liability, beginning of year	\$	547	\$	586	
	Add: Cost for the year		94		159	
	Less: Benefits paid by Yukon Housing		(22)		(135)	
	Unamortized experience gains		(55)		(63)	
	Accrued benefit liability, end of year	\$	564	\$	547	
	Accrued Benefits Liability Payable Short-term portion, included in accounts payable Long term portion	\$	123 441	\$	116 431	
	zong tom politici	\$	564	\$	547	
	The significant actuarial assumptions were:					
	Discount rate		5.75%		6.00%	
	Salary `		3.00%		2.50%	
	Annual rate of inflation		2.20%		2.50%	
	The most recent actuarial valuation made for these non-pensions benefit plans was as of March 31, 2006. The next required valuation would be as of March 31, 2009.					
	Pensions The Corporation and all eligible employees contribute to the Public Service Pension Plan. This pension plan provides benefits based on years of service and average earnings at retirement. The benefits are fully indexed to the increase in the Consumer Price Index. Contributions during the year were as follows:					
	Employer's contribution	\$	188	\$	207	
	Employees' contribution		103		98	

# 10. Deferred capital funding from Government of Yukon

Deferred capital funding represents the unamortized portion of Government of Yukon funding used to purchase depreciable capital assets.

Changes in the deferred capital funding balance are as follows:	<u>2006</u> In Tho			2005	
			ousands		
Balance at beginning of year	\$	6,763	\$	6,907	
Add: Funding used to purchase depreciable capital assets		788		679	
Non Cash Contribution (building) Less: Unencumbered assets amortization Disposals and asset write down		151 (635) (236)		(823) -	
Balance at end of year	\$	6,831	\$	6,763	

#### 11. Funding repaid to Government of Yukon

	2006			2005		
		In The	ousands			
Cash advances from Government of Yukon	\$	-	\$	3,160		
Repayment of advances		-		-		
Operating grant	(2,874)		(3,947)			
Funding used to purchase capital assets (Note 10)	(788)		(679)			
Funding invested in Seniors' Housing Management Fund	(366)		(350)			
Capital funding disposals and writedowns		96				
Cash operating advances (refunded to) or owed by Government of Yukon		-		(144)		
Funding repaid to Government of Yukon	\$ (3	3,932)	\$	( 1,960)		

#### 12. Financial instruments

The fair values of the financial instruments were determined using the present value of future cash flows discounted at the March 31, 2006 average market rate for mortgages and loans with similar maturities.

The balances in Due from Canada Mortgage and Housing Corporation, Accounts receivable - other, Accounts payable and Due to Government of Yukon are non-interest bearing and have fair values that approximate their carrying amount due to their short term to maturity.

The carrying amount and estimated fair values of the financial instruments are as follows:

	2006		2005			
	In Thousands					
	Carrying		Carrying			
	Amount	Fair Value	Amount	Fair Value		
Long-term investments						
Mortgages receivable net of allowances for payment subsidies on Home Repair loans

Loans payable - Government of Yukon	17,130	7,546	17,145	7,642		
Land sales agreements due to Government						
of Yukon	7,375	6,693	5,893	5,427		
	\$ 46,252	\$ 37,446	\$ 45,867	\$ 36,954		

These financial instruments do not have active markets. The fair value of these instruments may not reflect realizable amounts.

The balances in Due from Canada Mortgage and Housing Corporation, Accounts receivable - other, Accounts payable and Due to Government of Yukon are the result of transactions incurred in the normal course of business and have no significant credit risks.

Until settled, the fair value of mortgages, agreements and loans receivable will fluctuate based on changes in interest rates. Management believes that unrealized losses are short term in nature and the carrying amount of mortgages, agreements and loans receivable will be fully recovered. In the event there are any unrealized gains and losses on these financial instruments, they will be included in the statement of operations when realized.

#### 13. Related party transactions

The Corporation is related in terms of common ownership to all Government of Yukon departments, corporations and agencies. In addition to those related party transactions, disclosed elsewhere in these financial statements, the Corporation enters into transactions with related entities in the normal course of business.

The Corporation is party to a Shared Services arrangement with two other government organizations which consolidates functions such as finance and administration, policy and human resources services. The amount charged by the Government of the Yukon to the Corporation for shared services for the year 2006 was \$1,476,468 (2005- \$1,402,000). These transactions are in the normal course of operations and are measured at the exchange amount, which is the amount of consideration established and agreed to by the related parties.

#### 14. Commitments and contingencies

	2006		2005	
	In Th	ousands	sands	
Outstanding contractual obligations to complete the funding of mortgages receivable as at March 31.	\$ 1,253	\$	1,044	
Payment to Government of Yukon for a Canada Games building	875		-	
Subsidies to private social housing organizations	428		428	

Pursuant to a Supreme Court of the Yukon Territory court order, the Corporation was appointed Receiver/Manager of an independent third party entity the Whitehorse Housing Co-operative Association Limited effective December 9, 2003.

Pursuant to an agreement signed with Canada Mortgage and Housing Corporation in 1998, the Corporation is liable for a mortgage payable by the Whitehorse Housing Co-operative in 2006 for \$1,259,000 (2005-\$1,301,000) if it goes into default. Management believes that the Corporation will be able to repay the mortgage in full through the sale of the houses (against which the mortgage is made) in the event of default.

The Corporation purchases insurance for all capital assets that are quadruplexes and larger. This accounts for 247 out of 655 units in total with a net book value of \$10,135,922. The balance of units are self insured with the Government of Yukon.

In the normal course of operations, the Corporation is subject to legal claims and possible claims and no provision for any claim is included in these financial statements.

#### 15. Mortgage guarantees

The cost of house construction often exceeds the market value of that house in Yukon communities. Canada Mortgage and Housing Corporation provides mortgage insurance for up to 95% of the market value of a new home. Under the Extended Mortgage Guarantee Program, the Corporation will insure for up to 95% of the cost of a new house, therefore enabling rural Yukon residents to have access to insured mortgage financing.

The contingent liability for mortgage guarantees under this program as at March 31, 2006 is \$163,000 (2005 - \$163,000).

#### 16. Government of Yukon transfer payments

The following table reconciles funding provided by the Government of Yukon as shown in these financial statements to that recorded by the Government in its Public Accounts.

	2006		2005	
		In Th	ousands	
Government of Yukon - Operations and Maintenance transfer payment				
Net results of operations before government funding	\$	3,509	\$	4,770
Add recovery - Mountain View Place inventory valuation allowance		-		173
Less amortization		(2,375)		(3,927)
Less Program costs - Other				
Home Repair mortgage provision for payment subsidies expense		(285)		(155)
Add Seniors' Housing Management Fund investment - Government of Yukon appropriation (equal to interest earned on Green Mortgage Program and monies				
held within the fund)		266		250
Add Deferred Revenue C.M.H.C. Affordable Housing		149		
Add Government of Yukon non cash contribution (Land)		73		-
Government of Yukon - Operations and Maintenance transfer payment	\$	1,337	\$	1,111
Government of Yukon - Capital transfer payment				
Recovery of Mountain View Place inventory valuation allowance		-		(173)
Program costs - Other				
Home Repair mortgage provision for payment subsidies expense		285		155
Add Seniors' Housing Management Fund investment - Government of Yukon				
appropriation		100		100
Add funding provided to repay principal portion of long term debt		1,097		1,145
Add funding provided to purchase depreciable capital assets (Note 10 and 11)		788		679
Less Net Book Value of disposed assets		(236)		-
Government of Yukon - Capital transfer payment	\$	2,034	\$	1,906

### 17. Comparative figures

Certain comparative figures for 2005 have been reclassified to conform with the 2006 presentation.
