

Yukon COVID-19 PUBLIC UPDATE

April 8, 2021 at 4:30 p.m.

This information is subject to change without notice. Changes from the last update are highlighted.

Public update for the week of April 8, 2021.

Yukon numbers	Confirmed cases: 74	Recovered: 73	Negative tests: 6,854	Pending results: 15	Total tested: 6,949	Total vaccine doses administered: 38,782	Deaths: 1
---------------	---------------------	---------------	-----------------------	---------------------	---------------------	--	-----------

Emergency status: The state of emergency was extended on March 3, 2021.

Health care

- By region, the percentage of Yukon residents who have received a first dose of the Moderna vaccine is: 70 per cent in North Yukon; 79 per cent in West Yukon; 52 per cent in Central Yukon; 59 per cent in Southeast Yukon; 70 per cent in Whitehorse. The percentage of residents who have received a second dose is: 60 per cent in North Yukon; 79 per cent in West Yukon; 41 per cent in Central Yukon; 53 per cent in Southeast Yukon; 30 per cent in Whitehorse. Visit yukon.ca for the latest vaccination data and progress reporting.
- Mobile vaccination teams continue to visit Yukon communities for a third round. Residents age 18 and older will have the opportunity receive their first shot during this visit and are still guaranteed to receive their second dose at the appropriate time. Appointments can be booked online at yukon.ca/en/this-is-our-shot.
- The clinic at the Convention Centre in Whitehorse is open for residents age 18 and older to receive their first and second doses of the vaccine, by appointment or by walk-in.
- Proof of residency will be required to receive a vaccination, such as government issued identification, a Yukon health care card, or mail displaying your name and address. After receiving a vaccine Yukoners must continue following health measures, such as wearing a mask.
- Yukoners can now book COVID-19 tests online through the recently launched online booking tool. To book, visit: <https://book-covid-19-test.service.yukon.ca/en/>. Online booking appointments are available only in Whitehorse through the COVID Testing Assessment Centre (CTAC) at this time. For residents in communities, please continue to contact your health care provider or local health centre if you require testing.
- The COVID-19 Testing and Assessment Centre is open 8:30 a.m. to 6 p.m., Monday through Sunday. Those experiencing severe symptoms and requiring immediate assistance can go to the Whitehorse General Hospital Emergency Department, a community hospital or health centre.
- To help Yukoners at risk during this pandemic, people can access [mental health and social supports online](#).

Travel and borders

- Canada and the US extended the border closures to non-essential travel until April 21, 2021.
- Everyone entering Yukon is required to self-isolate for 14 days. Exceptions include critical services workers that have left the territory to perform their work duties and residents of border areas such as Atlin, Lower Post, Fire Side, Jade City, Fraser, Good Hope Lake and Pleasant Camp. Critical service workers must fully self-isolate except for when they are performing their duties.

Businesses and financial relief

- The Government of Yukon is extending and expanding several COVID-19 economic programs to support Yukon businesses: yukon.ca/en/news/covid-19-supports-yukon-businesses-continue.
- Learn more about a variety of supports available to help Yukoners during the pandemic by going to yukon.ca/en/economic-and-social-supports-covid-19.

Enforcement and other guidelines

- Yukon extended the state of emergency under the Civil Emergency Measures Act (CEMA) for another 90 days. A full list of the orders and legislative changes made under CEMA can be found here: yukon.ca/en/health-and-wellness/covid-19-information/latest-updates-covid-19/legislation-changes-covid-19
- Report potential infractions to the Civil Emergency Measures Act at yukon.ca/en/cema-report.
