¹ Titles are issued when subdivisions and condominium plans are registered, when transfers are registered and when transmissions for tax liens and estates or court ordered sales are registered.

² Miscellaneous documents includes Easements, Transmission Applications, Name Changes, Affidavits, Writs of Seizure and Sale, etc.

³ This number remains relatively static because generally, whenever a title is issued, the previous title is cancelled. Some transactions (such as the registration of a condominium development) result in more than one title being issued. The actual number of active titles will change as new subdivisions and condominium developments are created.

⁴ The Yukon Land Titles Registry online search portal opened to the public on December 1, 2021. Since then customers have been able to obtain title searches, General Register Certificates and other information online.

⁻³ Includes both Pre-Sentence and Bail Supervision Reports (court driven).

⁻⁴ The Fine Options program will be promoted in the rural communities therefore the numbers are expected to increase. Over the last three years there are records of only four people who had enrolled in the Fine Option program and worked a total of 220.5 hours to pay down their fines to court services. Every hour gets a \$5 credit. For Supplementary information purposes the actual numbers are the result of four divided by the two periods.
