Arts funding supports tours, celebrations and the creation of new works

Thirteen projects are sharing a total of \$163,520 in arts funding in this year's spring intake of applications.

The Arts Fund is supporting 10 arts projects taking place in Whitehorse and Yukon communities. Several of the projects will result in the creation of new theatre, visual arts and dance works. The Touring Artist Fund is assisting three Yukon music and theatre projects to tour in North America.

Quotes

The Yukon government is very pleased to support organizations and artists to develop and present projects here in the territory and beyond. The artistic imagination, along with the range and quality of work, in our territory is truly outstanding. I hope all Yukoners celebrate local art, culture and creativity at performances, festivals and celebrations throughout the summer."

–Minister of Tourism and Culture Jeanie Dendys

"The Dawson City League of Lady Wrestlers collective is very excited to receive funding from the Arts Fund for our final and most ambitious feminist performance art show, *Thunderdome: the Ultimate Lady Wrestler Battle*. With this support, the collective will host a spectacular event that is community-wide and includes choreographed performances by our sister leagues in Canada and Alaska."

–Dawson City League of Lady Wrestlers artistic director Yasmine Renaud

"Along with my amazing band, I have just returned from supporting blues duo The Harpoonist and the Axe Murder on a six-week Canadian tour. With support from the Touring Artist Fund, we made new connections in the industry, promoted Yukon's vibrant arts scene and garnered national attention to Yukon music."

–Touring Artist Fund recipient, musician Ryan McNally
