

Evacuation Alert rescinded in Dawson fire district

August 9, 2021

The Evacuation Alert, issued on August 3, 2021, by the Yukon Emergency Measures Organization for the above areas, has been rescinded.

While Dawson fire DA024 is still burning, there's a very low likelihood of further spread toward the evacuation alert area and the overall fire danger rating is low.

Wildland Fire Management continues to monitor the situation closely and the public will be notified of any changes.
