## HEALTH AND SOCIAL SERVICES

### FAMILY AND CHILDREN'S SERVICES Early Childhood and Prevention Services Healthy Families Program

#### STATISTICS

- The Healthy Families Program is designed to assist families of newborns, prenatal or at birth. In partnership with public health nurses and Healthy Family support workers, Healthy Families provides in-home assistance and education, through regular home visits, to support families in being the best parents possible for their infants, so the infants receive the care and stimulation so crucial to their long-term well-being and healthy development.
- Healthy Family Support Workers can remain involved in a family's life until a child reaches school age. In other cases, only short term involvement is required.

### HEALTH SERVICES Community Health Health Programs

#### SUPPLEMENTARY INFORMATION (2006-07)

- Community Health Programs delivers and funds a variety of community health services throughout the territory. Programs delivered by the Department of Health and Social Services are:
  - Yukon Communicable Disease Control Program
  - Yukon Children's Dental Program
  - Environmental Health Services
  - Mental Health Services
  - Health Promotion

Funded Activities include:

Blood Ties Four Directions - to provide prevention, education, and support services to prevent the spread of blood borne infectious disease, including HIV and Hepatitis C.

Yukon College - to publish Tracks newsletter.

Yukon Family Services Association - to provide a range of counselling services and educational activities through its main office in Whitehorse, satellite offices in Dawson City and Watson Lake, and itinerant services to selected communities, and to support the operation of the Outreach van in Whitehorse.

Second Opinion Society - to provide a drop-in centre, supportive peer counselling and practical assistance to persons who have had, or are experiencing, mental health problems.

Liard Basin Task Force - to support a Youth Counsellor position which provides clinical counselling services to at-risk youth and their families, and consultation services to education and other community resources.

### HEALTH SERVICES Community Health Mental Health Services

#### STATISTICS

- **Outpatient Mental Health Services**

Mental Health Services provides assessment, treatment, consultation and referral services to individuals experiencing a range of mental health problems. Professional staff include mental health clinicians, nurses, and supported independent living workers.

Mental Health Services provides services to three groups of clients: a) Adult clients diagnosed with serious and persistent mental illnesses, including clients under the Yukon Review Board; b) Adult clients who experience other diagnosable mental health problems that are acute or episodic in nature; and, c) Children and youth with a range of mental health problems.

Mental Health Services also engages in a number of community mental health activities including community development, training, public awareness, and policy and program development in areas which have an impact on mental health.

- **Hospital-based Mental Health Services**

Whitehorse General Hospital provides inpatient services to patients admitted for psychiatric reasons. Mental Health Services staff may also participate in the care of these patients.

(1) This includes referrals to the itinerant Child Psychiatry Clinic.

(2) Increases are based on anticipated new referrals to the rural Mental Health Nurse, the Early Psychosis Intervention Coordinator, and the Mental Health Social Worker, new positions funded under the Territorial Health Access Fund.

(3) The number of clients seen by itinerant child psychiatry services are included. Follow-up appointments with children and families via telehealth are included.

(4) Clinical hours includes services provided by the child psychiatrist during itinerant and telehealth clinics.

(5) Clinical hours includes screening, assessment and individual and group treatment.

(6) A computer problem in 2006/07 resulted in the loss of some data on the number of hours of direct and indirect services. The 2006/07 statistics are estimates, not actuals.

(7) Indirect services include consultations with colleagues, case management activities, and clinical consultation.

(8) Costs associated with hospital-based services are reflected in the Insured Health Services budget.

(9) Patient Admissions includes both voluntary and involuntary admissions.

(1) Figures reported are for school year.

(2) Figures reported are for fiscal year.

(3) The number of trips and the number of health promotion activities is reduced due to staffing shortages.

(4) The Yukon Children's Dental Program reimburses dentists in private practice for travel and accommodation expenses incurred when traveling to rural Yukon.

## HEALTH AND SOCIAL SERVICES

### HEALTH SERVICES Community Health Environmental Health

#### STATISTICS

- Environmental Health Services (EHS) promotes care for the environment in the interest of human health. Working in conjunction with the Medical Health Officer, Environmental Health Officers (EHOs) provide services to individuals, businesses and government. EHS provides consultation and educational services; and engages in inspection, surveillance, audits and enforcement activities in support of the regulatory program.

Premises Permits <sup>(3)</sup>	105	85	24%	103
Health Education/Promotion <sup>(4)</sup>	40	40	0%	35

(1) Client contacts were down in 2007-08 due to staffing vacancies; it is anticipated that with full staffing in 2008/09, the number of client contacts will return to previous levels.

(2) Enactment of the Drinking Water Regulation will increase the number of water samples submitted to the EHS Drinking Water laboratory and the number of inspections of public drinking water systems conducted by EHOs.

(3) The cyclical variation in the number of permits issued each year is a result of the requirement that restaurants and food retail establishments renew their permits to operate every three years.

(4) Although administered by EHS, most FOODSAFE courses and Germbuster workshops are delivered by other organizations (e.g. educational institutions, agencies and businesses.)

## HEALTH AND SOCIAL SERVICES

### HEALTH SERVICES Community Health Health Promotion Unit

The Health Promotion Unit provides or supports evidence-based, targeted health promotion and illness prevention programs and activities, to increase public awareness, support healthier decision making and lifestyles, support professional development and collaboration, and create and promote supportive environments.

#### SUPPLEMENTARY INFORMATION - HIGHLIGHTS

- **Helping smokers become smoke-free**

The Quit Pack program is offered to smokers of all ages and has been expanded to include a two-hour cessation information session in addition to three supportive phone calls, monthly newsletters and a tool-kit filled with information and tools to assist smokers to quit.

- **Helping young people resist tobacco use**

Activities in schools include *Smoke Screening V* - a media awareness project for Grades 4 - 12, *Smoke-Out* - an interactive tobacco facts game, and the teaching of refusal skills. Health Promotion also worked with Health Canada to produce a retailers' tool-kit to assist store owners in understanding and complying with the federal *Tobacco Act* which prohibits the sale of tobacco products to minors.

- **Promoting safer sex**

The *YK-STYLE*, a free confidential sexual health information and referral line is available to Yukoners of all ages. Focus group research was conducted and supported the continued distribution of specialty condoms throughout the year and at special events with messages to promote healthy decision-making. Updated medical standards and guidelines for sexual health were distributed to all primary care providers in Yukon. A new birth control teaching tool-kit has been developed, and will be distributed to physicians and health centres in spring 2008.

- **Healthy Eating**

The new Canada Food Guide was distributed to all parents of preschool and school age children, health centres, and other agencies throughout the territory. Elementary school children will be invited to make healthier drink choices by participating in the *Drop the Pop* challenge. A new resource, *Health Snack Cupboard*, has been developed and will be distributed to parents.

- **School Health**

In partnership with the Department of Education and non-governmental organizations, the Yukon School Health Advisory Committee is planning a Northern School health and learning conference for the fall of 2008 with participants from all three territories.

### HEALTH SERVICES Community Health Yukon Communicable Disease Control

#### STATISTICS

- Yukon Communicable Disease Control (YCDC), in collaboration with the Medical Health Officer and Public Health Agency of Canada, is responsible for the prevention, monitoring, and control of all infectious diseases (both vaccine and non-vaccine preventable) throughout the Yukon. This work is carried out by Nurse Practitioners who provide assessment, screening, test interpretation and treatment, and engage in education (including promotion), policy and program development and epidemiological analysis. The staff of YCDC work closely with physicians and nurse practitioners throughout the Yukon and several government and non-governmental agencies to reduce the incidence and spread of communicable diseases.

(1) Reproductive Health testing refers to pregnancy testing and pap smears.

(2) TB tests reflect laboratory and medical imaging (x-ray) tests. Numbers remain constant due to contact tracing, screening and follow up activities stemming from the 2004/05 outbreak and new isolated cases in subsequent years.

(3) Although the number of clients seen has increased since 2006/07, the number of tests conducted has decreased due to more efficient record keeping.

(4) Outreach refers to nursing services provided at community locations (e.g. Blood Ties Four Directions, Whitehorse Correctional Centre, Detox).
