

July 19, 2024 - RESCINDED - Evacuation Alert - Stewart Crossing including the area of km 522 to km 538 on the North Klondike Highway

The Evacuation Alert for Stewart Crossing including the area of km 522 to km 538 on the North Klondike Highway has been rescinded.

The risk from the Wrong Lake fire (MA-06) has diminished due to reduced fire weather, rainfall and containment achieved by wildland fire crews.
