## **Legislative assembly to reconvene Tuesday March 25**

WHITEHORSE—Premier Darrell Pasloski announced today that the Speaker will reconvene the first session of the 33rd Yukon Legislative Assembly on Tuesday, March 25 at 1 p.m.

"Our government is approximately half-way through our mandate and we are proud of what we have been able to accomplish in the past two-and-a-half years," Pasloski said. "Our focus during this sitting will be to continue to deliver on our commitments and to achieve benefits for Yukoners, while spending responsibly."

A key aspect of this sitting will be the 2014/15 budget, as well as a number of other legislative proposals.

"Our history of excellent fiscal management puts us in a strong position to make new investments in infrastructure for the territory and help create more jobs for Yukoners," Pasloski added.
