Final Response ATIPP Request 21-250

Decision

After conducting a thorough search for records, we have identified 408 pages of records that are responsive on request 21-250. We have determined that access will be granted **in part**. The request was for the following:

Any records containing "<https://www.cbc.ca/news/canada/north/hidden-valley-educational-assistant-lawsuit-1.6106346>" along with any associated records/files (ex. attachments, replies to records with that link but don't necessarily contain the link itself).
Timeframe: 16 July 2021 - 08 August 2021

ADDITIONAL INFORMATION:

The search for records should be initially constrained to:

Office and unit of the Director, Community Relations and Engagement

Office and unit of the Director Human Resource Services

Office and branch of the Assistant Deputy Minister Schools and Student Services

In reviewing the responsive records, we determined that releasing the personal information of third parties (names of students and parents, and identifiers) would be an unreasonable invasion of their privacy. Therefore, that information has been withheld under section 70(1) of the Access to Information and Protection of Privacy (ATIPP) Act.

Duplicate email trails were left in the records for completeness.

There is no cost to the applicant.

Right of Complaint

Under section 66 of the ATIPP Act, the applicant may make a complaint to the Office of the Information and Privacy Commissioner in respect of this response not later than 30 business days after notice of this decision.
