**Final Response ATIPP Access Request 21-323**

---

**Decision**

The department of Highways and Public Works has searched Carrier Compliance branch and has identified records responsive to Access Request #21-323. Our final response on the information is as follows:

**Access Granted in Part**

The department of Highways and Public Works has provided records in part relating to the request noted below:

Any and all records, communications, and data of a white 2013 Peterbilt conventional tractor (Yukon Licence plate CJ937, and British Columbia licence plate LT 2304), driven by [NAME] for Hy's North Transport Ltd., that attended at the Yukon weigh scale stations between February 24, 2018 and February 27, 2018. The attached trailers had licence plates of 5KB9-24 (Alberta) and T 2304 (British Columbia).

If there are any records, communications, and data that this semi-truck did not attend at any or all Yukon weigh scale stations between February 24, 2018 and February 27, 2018, please provide any and all records, communications or data regarding its non-attendance.

Third party names, signatures, cell phone numbers and personal information have been withheld under section 70(1) of the ATIPP Act as disclosure would be an unreasonable invasion of third party privacy.

Third party business information that could reasonably be expected to result in undue financial loss or gain to a person or entity or harm the competitive position of the third party was redacted under section 77(1)(a)(c) of the ATIPP Act.

There will be no charge for this request.
