Final Response ATIPP Access Request 21-462

Decision

The Department of Justice has searched the Whitehorse Correctional Centre, the Corrections branch, the Policy and Communications branch, and the Human Resources branch and has identified records responsive to Access Request #21-462. Our final response on the information is as follows:

Access Granted in Part

The Department of Justice has provided access in part to information and records relating to the request noted below:

Any communications, emails, memoranda, briefing notes and other forms of correspondence between November 30 and December 7 regarding a staff shortage at the Whitehorse Correctional Centre due to the mandatory public service COVID-19 vaccination mandate. Please include any changes or references to the department's business continuity plan (BCP) in this request.
Timeframe: November 30, 2021 - December 7, 2021

Third party personal information including name, address, telephone number, email address, information about physical health history, information about employment status or history, their opinion or view about something, and personal unique identifier which has been assigned to them has been withheld using section 70(1) of the ATIPP Act to protect personal privacy.

Section 72(1)(b)(vi) of the ATIPP Act was used to withhold information the disclosure of which could adversely affect the security of a building or other system.

Information has been withheld under section 74(1)(a) of the ATIPP Act as the disclosure would reveal advice and recommendations prepared by and for a public body.

Note: Email attachments with extension.png are a result of file conversion within email signatures and have been removed as they are not attachments to the emails.

There will be no charge for this request.
