RE: **ATIPP #22-204 – FINAL RESPONSE – GRANTED IN PART**

The Department of Economic Development has completed its review of ATIPP Request 22-204 after conducting a thorough search of the program areas for records responsive to this request and determined that the applicant's request will be granted in part related to the following request:

We would like to obtain financial data indicating any, and all funding that was released by the Yukon Government, and/or its tourism, or economic development, or any other department, or subsidiary, in order to finance or provide funding support/grants/loans for the Young Presidents Organization (YPO) Alberta event which was hosted in May 2022. We would like to know how much money was provided by the aforementioned groups, who it was provided to, as well as any correspondence outlining what the funding was allowed to cover. We would also like to know how much money was paid to each organization that received funding from YG for this event, the planning, hosting, accommodations, and venue spaces that were rented. We also want to know how much was spent on transportation and what form of transportation this came in.

Timeframe: January 3, 2022 - May 21, 2022.
