Final Response ATIPP Access Request 22-330

Decision

The Department of Highways and Public Works has searched the Information Technology and Communications branch and has no records responsive to Access Request #22-330. Our final response on the information is as follows:

No Records Found

The Department of Highways and Public Works did not locate records relating to the request noted below:

Any manuals, documents, source code, source code repositories, database schemas, and vendor/origin information (is this in house, contracted out, or an off the shelf product) related to the SFT platform in use by YG located at <https://sft.gov.yk.ca>. The date range is unknown, but it would be when SFT was started until now Thanks!

ICT does not have any records to provide, other than we pay \$1,999 for a commercial off the shelf product. The name of the product will not be provided under ATIPP Act Section 72(b)(vi), "(1) Subject to subsection (2), the head of a responsive public body may deny an applicant access to information held by the responsive public body if the head determines that disclosure of the information could reasonably be expected to adversely affect the security of a property or a system, including a building, vehicle, computer system or communications system."

There will be no charge for this request.
