Final Response ATIPP Access Request 22-366

Decision

The Department of Highways and Public Works has searched the Realty and Capital Asset Planning branch and has identified records responsive to Access Request #22-366. Our final response on the information is as follows:

Access Granted in Full

The Department of Highways and Public Works has provided records in full relating to the request noted below:

Correspondence, including any signed contracts, with Northern Vision Development, regarding the lease or rental of the High Country Inn as a self-isolation facility for COVID-19. Any departmental emails or memoranda related to same. January 1, 2020 - July 7, 2022.

ADDITIONAL INFORMATION:

Narrowing #1: Thanks for this. I'd like to cut out all those monthly emails from the company and their attached records. Please also limit the search window to June 1, 2021 to April 1, 2022.

Narrowing #2: Can we try limiting to memoranda and reports only? Thanks.

Response from dept: The records all consist of emails with attachments. On quick review of the 1,749 pages nothing is standing out as a memo or a report. There are multiple emails with attached lease documents and requests for proposal.

Narrowing #3: Further to our conversation, I'd like to amend the request 22-366. I'd like the draft lease documents as well as the final signed version. I think I'll omit the RFP, at least for now.

There will be no charge for this request.
