Final Response ATIPP Access Request 22-491

Decision

Yukon Housing Corporation has searched the Information Management and Technology branch and has provided a response below for Access Request #22-491. Our final response on the information is as follows:

Access Granted in Full

Yukon Housing Corporation has provided access in full to information relating to the request noted below:

<p>The number of privacy breach reports that have occurred within each Yukon government department - The number of people affected by each of the breaches - The type of information that was released in each case (ex. names, addresses, phone numbers, email addresses, dates of birth, social insurance numbers, etc.). Timeframe: October 14, 2017 – October 14, 2022</p>
--

YHC does not have any reports on file older than three years which is per the records retention and disposition schedule for breach reports in the Administrative Records Classification System.

2019/20 – none

2020/21 – two breaches. Both involved a YHC employee who was on a temporary assignment to a different department who used a YHC system to provide assistance to a YHC staff at their request. There was no risk of significant harm in either case. Potentially some client records were viewed in the act of assisting.

2021/22 – none

2022/23 – one breach. A solicitor inadvertently sent some payout information for a YHC client to a former YHC employee who was now employed at another department. The email was deleted by the former employee and there was no risk of significant harm.

There will be no charge for this request.
