RE: Final Response Access Request #22-508

Decision

The Department of Environment has searched the Deputy Minister's Office, Policy, Planning and Implementation Branch and Conservation Officer Service Branch and has identified records responsive to Access Request #22-508. The final response on the information is as follows:

Access Granted in Part

The Department of Environment is granting access in part to information relating to the request noted below:

Requesting all records relating to moose and caribou quota decisions for outfitting concessions #15, #19 and #20. Please include emails between Department staff and outfitters or other stakeholders and any reports or justification documents for changes to quotas in these concessions.
ADDITIONAL INFORMATION: Just to clarify, I would still like the responsive records from other branches. As regards Fish and Wildlife, please further limit to Liard Fish and Wildlife biologist, Wildlife harvest biologist, and Director Fish and Wildlife. **ADDITIONAL INFORMATION:** Can you please narrow further by removing Fish and Wildlife branch altogether. Please send responsive records from COSB, DM's Office and PPI.

Some of the records you requested contain information that has been withheld from disclosure under the ATIPP Act. We have severed the excepted information so that we could disclose to

you the remaining information in the records. The records have been withheld pursuant the following sections under the Access to Information and Protection Privacy Act (ATIPP Act):

ATIPP ACT PROVISION	REASON
S67(3)(b) Cabinet information	Cabinet information contained in a record must not be released.
S70(1) Third party personal information	Third party name, email addresses, phone numbers, employment and medical history have been withheld because their release would be an unreasonable invasion of personal privacy. Third party opinions or views have been removed since they are the personal information of the third party providing them. Opinions and views relating to a third party have also been removed because they are the personal information of the third party.
S72 (1) (b) (vi) Information related to law enforcement and proceedings.	Passcodes have been redacted since release would harm the security of communication systems.
73(a) Information subject to legal privilege	Information regarding legal advice has been redacted to protect legal privilege.
S74(1)(a) Policy advice and recommendations	Information that would reveal recommendations and advice prepared by or for a public body has been withheld.
S75 (1) (a) (iii) (b) (i) Disclosure harmful to economic or financial interests of public body.	Scientific and commercial information used during negotiations has been removed. Detailed information that was provided as part of a closed appeal process has been withheld since its release would threaten the integrity of a necessary program.
S76(1) Disclosure harmful to intergovernmental relations	Information provided by First Nation governments concerning matters internal to their governments or matters between governments has been redacted since its release could reasonably be expected to harm intergovernmental relations.
77(1(a))(b)(c) Disclosure harmful to third party business interests	Detailed third party business information has been withheld where its release could result in undue financial loss or gain, harm the negotiating position of a third party, or risks

	similar information not being shared by third parties in the future..
