Final Response ATIPP Access Request 22-522

Decision

Yukon Liquor Corporation has searched the Finance and Information Management branch and has not located records responsive to Access Request #22-522. Our final response on the information is as follows:

No Records Found

Yukon Liquor Corporation did not locate responsive records to the request noted below:

I am requesting records including but not limited to notes, minutes, agenda, transcripts, action items and the work plan (referenced in the email below) relevant to the meeting mentioned below in the email exchange between Luke Harford and YLC representative, Matt King. From: Luke Harford To: John Streicker; Matt King Cc: Rowland Dunning Subject: NASAC work-plan for 2018-19 Date: Friday, February 09, 2018 1:24:27 PM EMAIL: Hi John and Matt, Thanks again for meeting with me in Montreal. The NASAC meeting was held yesterday in Ottawa. I have copied Rowland Dunning as he was not able to attend the meeting. One of the items coming out of the NASAC meeting was a work-plan for 2018-19. And one of the action items on that work-plan that may be of interest to you both is to pick up the recommendation to do public education around the LRDGs and the health harms associated with harmful drinking. This will get fleshed out over the next few weeks as to what it means and what kind of dollars can be put toward it. Just thought you would like to know since minutes to the meeting will likely take a few weeks to be circulated by the Secretariat. Kind regards, Luke Harford Beer Canada. Timeframe: February 1, 2018 - March 31, 2018.

ADDITIONAL INFORMATION:

The acronym NASAC stands for National Alcohol Strategy Action Committee. I am referring to the meeting referenced in this attached email exchange between Luke Harford of Beer Canada, John Streicker and Matt King.

There will be no charge to the applicant.
