Final Response ATIPP Access Request 22-525

Decision

The Department of Highways and Public Works searched the Capital Development and Capital Planning Branches and identified no records responsive to Access Request #22-525. Our final response on the information is as follows:

No Records Found

The Department of Highways and Public Works did not locate any responsive records related to the request noted below: Please note construction on these two contracts have not begun and therefore there are not any actual hours worked to report at the present time.

I am requesting information related to verification of First Nation employment hours as it pertains to contracts: C00067591 and C00067668 These contracts were awarded on the basis of over 70% of the hours being FN labour when all other competitors were under 20%. There are concerns as to the validity of these hours and how they effected scoring - and will affect future projects. Verification of First Nation hours as a % of all hours worked on the project is the information being sought. Timeframe: August 1, 2022 - November 14, 2022.

There will be no charge for this request.

Right to Complain

You have the right to make a complaint in respect of this response to the Yukon Information and Privacy Commissioner under Section 66 of the ATIPP Act, no later than 30 business days after you receive this response. To make a complaint, contact:

Yukon Information and Privacy Commissioner
