Re: ATIPP Request 22-629 Final Response – Granted in Full

Decision

The Department of Community Services has searched the Property Assessment Taxation unit and has found documents responsive to Access Request 22-629. The final response on the information is as follows:

Access Granted in Full

The Department of Community Services has granted access in full to the 207 page information document relating to the request below:

**I'm looking for land sales data, and private real estate transaction records for every transaction that the Yukon Government has. This data should be tied to the Property Identification Number (PIN), and as well as Assessment Roll Number. It should contain the sale price, and sale date, but should not contain any personal information such as names of buyers or sellers. Many other provinces provide this data to the public free of charge, such as British Columbia and Ontario. The ideal format of the data is as follows: | PIN | Roll Number | Address | Sale Price | Sale Date | |-----|-----|-----|-----|-----
--| | 8010053 | 3010680110 | 7132 7TH AVENUE | \$200,000 | 2010/01/01 | | 8010055 | 3010680300 | 706 WOOD STREET | \$175,000 | 2008/06/01 |.**

Per subsequent correspondence with ATIPP Office, the request scope was revised as follows:

Update: Response from Applicant: I'll do 2018 to present as a way of evaluating the dataset to see if it fits my needs.

With regard to the inclusion of personal names, it has been confirmed that this information is publicly available from Land Titles Branch and assessment roles, thus this information has not been redacted from the attached response.

Final Costs

There is no cost for this request.
