Final Response ATIPP Access Request 23-005

Decision

The Department of Justice has searched the Policy, Legal services and Whitehorse Correctional Centre and has not identified records responsive to Access Request 23-005. The final response on the information is as follows:

No Records Found

The Department of Justice has found no records pertaining to information relating to the request noted below:

Briefing notes and correspondence relating to the World Health Organization Global Code of Practice on the International Recruitment of Health Personnel, including any briefing notes and correspondence with federal/provincial officials and/or health personnel recruiting agencies regarding the Code. Timeframe: January 1, 2011 - April 5, 2023

ADDITIONAL INFORMATION:

Question from Department: I wanted to confirm that you would like this request sent to the Justice Department as any responsive records for this request will most likely be held with the Department of Health and Social Service. If you do require this to be sent to the Justice Department, is there a particular branch that you would like this sent to?

Answer from Applicant: While I would be surprised if there would be many (or possibly any) responsive records, this request is intended for the Justice Department (I have another

request submitted to Health and Social Services). I think it would be best if it is directed to Legal Services.

Final Costs

There is no charge to the applicant.
