Final Response ATIPP Access Request 23-112

Decision

The Department of Education has searched the Schools & Student Services division and has identified records responsive to Access Request 23-112. The final response on the information is as follows:

Granted in Full

The Department of Education has granted access in full to information relating to the request noted below:

Number of suspension appeals submitted to FH Collins School council number of reinstatement of students number of suspensions upheld number of suspensions that exceed 10 days. Timeframe: August 30, 2021 - June 6, 2023

The Department of Education holds records pertaining to 1 suspension appeal during this time frame. The records do not indicate whether the appeal was upheld or overturned. Records of suspension appeals for F. H. Collins Secondary School are not held by the Department of Education, but may be held by the F.H. Collins Student Council, who's activities do not fall under the ATIPP Act, except for the information that they provide to the Department of Education. The Department of Education is only routinely notified of an appeal if an appeal is overturned, and as such the number of suspensions reported here may not represent the total number of suspension appeals submitted.

Final Costs

There is no charge to the applicant.
