Amended Response - ATIPP Access Request 23-506

Decision

The Department of Environment has searched the Fish and Wildlife Branch and has identified records responsive to Access Request 23-506. The final response on the information is as follows:

Access Granted in Full

The Department of Environment has granted access in full to information relating to the request noted below:

The total number of Dall sheep harvested by residents and non-residents as well as the age, total length and circumference measurements of the base and annulus for each zone and subzone for the 2023 hunting season.

Timeframe: January 1, 2023 - October 31, 2023

Due to an administrative error, the original response for this request provided the 2022-2023 hunting season information. The amended response contains the requested 2023-2024 hunting season information.
