Hi Both,

David gave his approval. I added his signature. I also added Lesley's. Note there is a section for witness, I'm unsure who would sign that part.

Hello Lesley

Attached please find the final TPA agreement from the Department of Education for the year 2023/24.

Also attached is a comparison of this TPA agreement to the prior year 2022/23 (current year is +7.2% higher), and to an earlier version of the 2023/24 TPA (it is now +3.5% higher, due to YG funding faculty pay grid adjustments and assisting us to narrow the gap with their own collective agreement).

The TPA needs to be signed by both you and David on page 13.

Thank you!

Peter

Hi Andrea

I hope that you are keeping well.

Attached please find a working showing the incremental cost for YukonU to implement the pay award that was negotiated by YG, it comes to \$1,082,353, above the \$693,219 figure that we previously shared with you.

Best regards

Hello All

We are trying to determine if we need a submission or if we can ask for this in P4. Could you please tell me the cost of this increase over and above the information already provided.

Thanks
Andrea

Hey Andrea,

Do you have an estimate for EDU's total request for this?

Thanks,

Is it ok to put this in a variance and not a submission or do you want it in a submission?

Hi Andrea,

Please see the note below from the Yukon University Employee's Union requesting a matching increase of 4.5% in year one and 3% in year two for the Yukon University Collective Agreement on par with the YEU package as Per Letter of Understanding N in the 2022-24 YukonU/ YUEU Collective Agreement.

Further, our HR director is familiar with the City's settlement and noted that the city agreed to a 5-year agreement with the following scale: **SUMMARY OF MONETARY INCREASES** Wages September 1, 2021: Wages September 1, 2022: Wages September 1, 2023: Wages September 1, 2024: Wages September 1, 2025: \$4 2.10% [and 2.25% cash upon signing based on previous 12 months straight time earnings for Permanent Employees)

Do let us know if any further questions arise. Thanks so much.

Hi Andrea

Further to our conversation on Friday below is the wording paragraph in our collective agreement, it includes text '...in the event Yukon University receives the same General Economic Increase from the Government...'

LETTER OF UNDERSTANDING N (n) RE-OPENER – INCREASE In the event that, prior to the expiry of this Collective Agreement, employees of the Yukon Government receive General Economic Increases that are superior to the General Economic Increases herein and, in the event Yukon University receives the same General Economic Increase from the Government, the parties will invoke Article 68.01 Re-opener to plan the application of this increase. The priority will be given to allocation of such increases to non-faculty staff.

Best regards

Peter
