Final Response ATIPP Access Request 24-752

The Department of Energy, Mines and Resources has searched and has identified records responsive to Access Request 24-752 noted below:

Please provide all correspondence, including briefing notes, emails, memoranda and meeting notes related to:

The Inspector's corrective action, referenced in the July 16th 2020 Inspection Report for the Eagle Gold Mine, which required Victoria Gold to build an emergency water storage pond by October 30th, 2020.

Victoria Gold's response to this corrective action, including any draft plans provided to the Government of Yukon.

Any follow up steps considered by the Government of Yukon, following Victoria Gold's decision not to construct the emergency pond in question.

Please provide documents and communications originating within the Department of Energy, Mines and Resources (collectively, including the Minister, Deputy Minister, and relevant Assistant Deputy Ministers, directors, delegates, employees, and representatives), including communications between EMR and staff and Victoria Gold representatives. Timeframe: January 1, 2020 - April 30, 2021

Decision

The designated ATIPP Head of the Department of Energy, Mines and Resources has approved the following response to this request:

Access Granted in Part

Certain types of information have been withheld pursuant to the Access to Information and Protection of Privacy Act. A summary of records reviewed, and withheld redactions is enclosed. Note: attachments with extension ".png" are a result of file conversion of images embedded within email signatures and have been removed.

Final Costs

There is no charge to the applicant.

Right to Complain

Pursuant to section 66 of the Access to Information and Protection of Privacy Act you may contact Yukon's Information and Privacy Commissioner with a complaint in respect to this response. Should you wish to do so, please refer your written complaint within 30 business days to the Information and Privacy Commissioner at:
