Final Response ATIPP Access Request 25-034

The Department of Tourism and Culture has searched Corporate Services and has identified records responsive to Access Request 25-034 noted below:

Seeking the total number of hazard assessments (as defined by Public Service Commission) conducted by the department on a year by year, and month by month basis. Seeking a further breakdown of: the number that have been reviewed by the Deputy Minister, the number that have are under review by the Deputy Minister, the number that have been resolved, the number that are still on-going, the number that have been referred to health and safety committees (as defined by Workers' Safety and Compensation Act sections 36 to 38), the number that have been referred to worker health and safety representatives (as defined by Workers' Safety and Compensation Act section 39), and the number that have been referred to Public Service Commission.

Timeframe: January 1, 2018 - April 2, 2025.

Please see the response from the applicant providing clarification on hazard assessments:

I am guessing that department will ask "what does 'hazard assessment' mean?"

I don't know.

However, Health Safety and Wellness branch of Public Service Commission referred to hazard assessments in a meeting we had with them on April 3 2025. Whatever they define as a hazard assessment is the definition I'd like provided.
