Access Granted in Full

The Department of Justice has granted access in full to information relating to the request noted below:

I am looking to find out the total amount of funding provided by the Department of Justice (or other Departments) to the Kwanlin Dun First Nation Safety Program since its inception. Timeframe: January 1, 2015 - February 1, 2023

ADDITIONAL INFORMATION:

Question #1: I would like to ask for further clarification of this request.

Is the request for funding information for KDFN's community safety officer program or for its safety program? If it is the former, I would be happy to provide an email summarizing the Government of Yukon's contributions during that time frame.

If it is fact the latter as indicated below, we do not have information or knowledge of this program.

Response #1: The request is for the amount of YG funding for KDFN's community safety officer program

Final Costs

There is no charge to the applicant.
